

EGFARC General Meeting, January 14, 2017

Meeting began with intros around the room, then proceeded to reports. Secretary read notes from December 2016 meeting and potluck, and also minutes from the January 10 board meeting.

Paul N6DRY reported on the improved condition of the club's financial books over previous years, based on his audit.

Membership renewals were encouraged ASAP.

Brief report given on hams' participation in storm watch activities due to recent heavy rain, flooding and strong winds.

Dave Reingold opened discussion of possible meeting topics or activities of interest to club members, such as workshops to improve our radio skills.

Norm Lucas WB6RVR, ARRL Sac Valley Section Official Observer Coordinator, gave a talk about this aspect of ham radio. Topics covered included requirements for becoming an Official Observer, what their major objectives are, and what specific activities they handle, or do not get involved in. After the presentation, questions were taken.

There were 25 people signed in, including members and guests.
